ICAC-CERCA follows the principles of OTM-R recruitment, in accordance with the implementation of the Human Resources Strategy for Researchers (HRS4R) by the European Commission, and is committed to transparency and equal opportunities in all its selection procedures.

We are pleased to consider all qualified candidates for the job regardless of race, colour, religion, sex, sexual orientation, gender identity, national origin, age, disability, or any other basis protected by state or local law applicable.

About the Catalan Institute of Classical Archaeology (ICAC-CERCA)

The Catalan Institute of Classical Archaeology (ICAC-CERCA) is **a CERCA center** established as a consortium in 2003 by the Government of Catalonia and the Rovira i Virgili University. It is a Catalan institution with an international scope, at the forefront of research and conservation of archaeological heritage. Its headquarters are located in Tarragona, a city recognized as a UNESCO World Heritage Site in the year 2000. Its researchers work to understand the past through the study of archaeological remains and promote the preservation of the historical legacy. We are CERCA!
