We are pleased to consider all qualified candidates for the job regardless of race, colour, religion, sex, sexual orientation, gender identity, national origin, age, disability, or any other basis protected by state or local law applicable.

HR EXCELLENCE IN RESEARCH

About the Catalan Institute of Classical Archaeology (ICAC-CERCA)

The Catalan Institute of Classical Archaeology (ICAC-CERCA) is **a CERCA center**

Contingut extret de la web de l'ICAC (www.icac.cat)

established as a consortium in 2003 by the Government of Catalonia and the Rovira i Virgili University. It is a Catalan institution with an international scope, at the forefront of research and conservation of archaeological heritage. Its headquarters are located in Tarragona, a city recognized as a UNESCO World Heritage Site in the year 2000. Its researchers work to understand the past through the study of archaeological remains and promote the preservation of the historical legacy. We are CERCA!
