About the Juan de la Cierva 2023 contract grants (State Research Agency, Ministry of Science, Innovation, and Universities, Spanish Government):

> Las ayudas Juan de la Cierva tienen como finalidad fomentar la incorporación de jóvenes, en posesión del grado de doctor, con objeto de que completen su formación investigadora postdoctoral en centros de I+D españoles. Las personas participantes deben cumplir el requisito de poseer el título de doctor y haberlo obtenido entre el 1 de enero de 2022 y el 31 de diciembre de 2023 para el turno de acceso general y para el turno JDC-INIA-CCAA y entre el 1 de enero de 2021 y el 31 de diciembre de 2023 para el turno de acceso de personas con discapacidad igual o superior al 33 por ciento, excepto si acreditan una causa de interrupción conforme a la

Contingut extret de la web de l'ICAC (www.icac.cat)

convocatoria.

Las solicitudes de participación las presentan los centros de I+D incluyendo en ellas a las personas participantes para su incorporación a los equipos de investigación. La selección se fundamenta en un proceso de concurrencia competitiva en base a sus méritos curriculares y en el historial científico-técnico del equipo de investigación en el que se quieren integrar, dando especial relevancia a los méritos relativos al investigador/a tutor/a.

More information

ICAC-CERCA follows the principles of OTM-R recruitment, following the implementation of the Human Resources Strategy for Researchers (HRS4R) by the European Commission, and is committed to transparency and equal opportunities in all its selection procedures.

We are pleased to consider all qualified candidates for the job regardless of race, colour, religion, sex, sexual orientation, gender identity, national origin, age, disability, or any other basis protected by state or local law applicable.

About the Catalan Institute of Classical Archaeology (ICAC-CERCA)

The Catalan Institute of Classical Archaeology (ICAC-CERCA) is **a CERCA center** established as a consortium in 2003 by the Government of Catalonia and the Rovira i Virgili University. It is a Catalan institution with an international scope, at the forefront of research and conservation of archaeological heritage. Its headquarters are located in Tarragona, a city recognized as a UNESCO World Heritage Site in the year 2000. Its researchers work to understand the past through the study of archaeological remains and promote the preservation of the historical legacy. We are CERCA!
