

## Supervisor Expression of Interest

### Marie Skłodowska Curie Action - Individual Fellowship 2021

Supervisor name	<b>Hèctor A. Orengo</b>
e-mail address	horengo@icac.cat
Research Group webpage	<a href="https://giap.icac.cat/">https://giap.icac.cat/</a>
Research topic	Landscape Archaeology and Computational Archaeology
<i>Brief description of research project themes to be considered:</i>	
<b>THEMES: Landscape Archaeology and Computational Archaeology</b>	
<b>Landscape Archaeology</b>	
Topics related to landscape archaeology, traditional and automated survey, mountain archaeology and the impact of human communities in past landscapes.	
<b>Computational archaeology</b>	
Topics related to advanced GIS, remote sensing and drone-based applications, the archaeology of movement 3D reconstruction, machine and deep learning, network analysis, and other computational approaches.
